OUR MISSION

Introducing Jil CROQUET Parfum: a collection of Artisan Perfumes and Colognes that takes you on an extraordinary voyage through time and space, enveloping you in pure bliss, serenity, and pleasure.

Uncover exotic lands, vibrant cultures, breathtaking landscapes, and ancient traditions through our captivating scents. Each fragrance focuses on one or two carefully selected ingredients, sourced locally from a specific place or era. These key elements serve as the foundation for each fragrance, igniting a captivating story that leaves an enduring impression and evokes genuine emotions.

OUR PROCESS

All of our products are carefully crafted in California by our French Perfumer in small batches and bottled by hand.

We include a large proportion of natural ingredients in our blends and use the cleanest, safest and most eco-conscious materials possible, without ever sacrificing product performance or artistry.

OUR BENEFITS

Smell UNIQUE:

Our formulas are developed by our French Perfumer and based on original and creative concepts.

Feel UNIQUE:

Our fragrances are produced by hand in small batches in sunny San Diego, CA.

Be UNIQUE:

Our packaging is more eco-conscious than any other fragrance house on the market. Jil CROQUET Parfum glass bottles are refillable with kraft spout pouches and our cardboard boxes are recyclable.
